

BUSINESS MANAGER SOUTH WEST REGION

Oliver Seeds (Field Based)

Oliver Seeds is an integral part of DLF Seeds Ltd, the largest supplier of grass seed in the UK.

An exciting opportunity is now available for a Business Manager to provide succession and continuity for our company in the South West of England.

The role is to develop and support established retail and wholesale customer accounts with the company's comprehensive and proven range of forage grass seed, maize, roots, game cover and other small seeds. Ideally, candidates will have a successful track record in on-farm sales combined with a good knowledge of agricultural practice. Seed sales and technical experience will be highly advantageous.

Working from a home office the individual will need to be self-motivated and have strong communication and influencing skills to service existing and develop new business with our customers.

A competitive employment package is on offer and because this is a proactive and mobile role, there is flexibility on location in the region.

For an informal and confidential discussion about the role, please call Rod Bonshor, General Manager Oliver Seeds on 01522 706501. A full job description is available from Pam Shadbolt, HR Manager DDI 01386 791120 or pshadbolt@dlf.co.uk

If you would like to submit an application, please forward your CV together with a summary of how you meet the requirements of the role to Pam Shadbolt using the email address above.
