DLF Seeds A/S redeems its EUR hybrid securities

DLF Seeds A/S has today informed the holders of its EUR 90,000,000 hybrid securities issued on 27 November 2018 that it will redeem the hybrid securities in full on 28 November 2022.

The hybrid securities will be redeemed at 100% of their nominal amount together with accrued interest. The redemption amount will be financed under DLF Seeds A/S's senior facilities agreement with its bank lenders.

After the redemption, there will be no hybrid securities outstanding and the hybrid securities will be delisted from the Nasdaq First North Bond Market Copenhagen.
