The Acquisition of PGG Wrightson Seeds' Businesses is set to close

DLF Seeds A/S and PGG Wrightson Ltd. signed an agreement for DLF Seeds A/S to acquire all the shares in the capital of PGG Wrightson Seeds Holdings Ltd. (New Zealand) in August 2018.

The agreement was conditional to, among other things, regulatory approvals in New Zealand and Australia. Following the consent by the Overseas Investment Office ("OIO") in New Zealand all such conditions have been satisfied and the transaction is expected to close as soon as practicable.
