

CLAUDINE

Lolium perenne

- Excellent rust resistance
- STRI Listed for both Lawns and Sports
- Combines all the attributes for ornamental turf
- High shoot density

Combining attributes

CLAUDINE combines all the attributes required of a grass for lawns, landscaping, turf and summer sports.

Very dense and fine leaved with slow regrowth

Producing a dense, fine leaved turf. Its slow regrowth requires less mowing and produces less clippings for disposal.

Use on sports pitches

CLAUDINE is also suitable for use on winter sports pitches where it makes an ideal partner for our high performance sports turf cultivars - Columbine, Chardin, Monroe & Berlioz.
