GILDARA - The new Winter Sport variety from DLF

GILDARA has been specifically selected from the best breeding material for winter sports pitches

It produces a very dense sward with excellent wear tolerance to provide season long ground cover. This combined with its very fine leaves give the variety and excellent overall appearance.

GILDARA - Although selected for winter sports is also, a top rated variety for lawns and turf where its fine leaves and shoot density combine to produce a beautiful hard wearing lawn.
