

J FAIRWAY

J Fairway

100 % fescue for optimal ornamental performance for the best looking landscape, park and fairway.

Very fine leaved components that tolerates shade and saline conditions, while performing excellent under close mow.

Johnson's Sports Seed offer the ideal mixtures for play and sports activity.

Turf managers maintaining the full range of sports areas will appreciate the extensive work carried out by our breeding team to produce cultivars offering high ratings for wear tolerance, sward density and tolerance of close mowing.

J Fairway is the ideal mixture for professional fairway and the ornamental park lawn.

- Gap closing varieties
- Very fine leaved
- Green cover and weed control
- Ideal for overseeding
